Big Ideas for Global Investors

DIGITAL MEDIA AND CONTENT STRATEGISTS

We know how to share a great story

InvestorIdeas.com - Digital news publication, PR and Subscriber outreach

Online media company with over 25 years of exposure helping companies get their story out

**What we do ...
News publishing, subscriber outreach ,
PR, Marketing and Content Creation**

Quick Facts: Over 35,000 Social Media followers, Google News indexing for global coverage, multiple websites and blogs owned by Investorideas.com for additional coverage, plus global syndication partners

Creating original content for your company's story and brand has never been more important!

As Google changes algorithms and decides which news gets indexed, syndication is changing and your news no longer has the power it did in the past.

Let a leader in content creation with over 25 years in business help you get heard and noticed!

We reformat your news and tell your story in a podcast interview with an article showcasing key quotes- giving you audio, video and digital distribution

We create ticker tag's featuring your news and your industry peers to hi- light the significance of your news within your sector

Reformat your news as a breaking news story with a different headline so it is not considered duplicate content

What to Expect

A blurred, blue-tinted photograph of an office interior. In the foreground, several people are walking away from the camera, their figures out of focus. The background shows a cityscape with tall buildings, also blurred. The overall atmosphere is professional and modern.

Our team creates quality content to fit each clients needs and budget

Direct access to senior management handling accounts

40 years of capital markets expertise

Customizable plan to execute

Content Creation

Big news deserves additional distribution for let Investorideas.com create a podcast interview with management highlighting your news. Our podcasts are heard on the top social media listening sites such as Spotify, iTunes, TunedIn, GooglePlayMusic, iHeartRadio, Spreaker, SoundCloud.

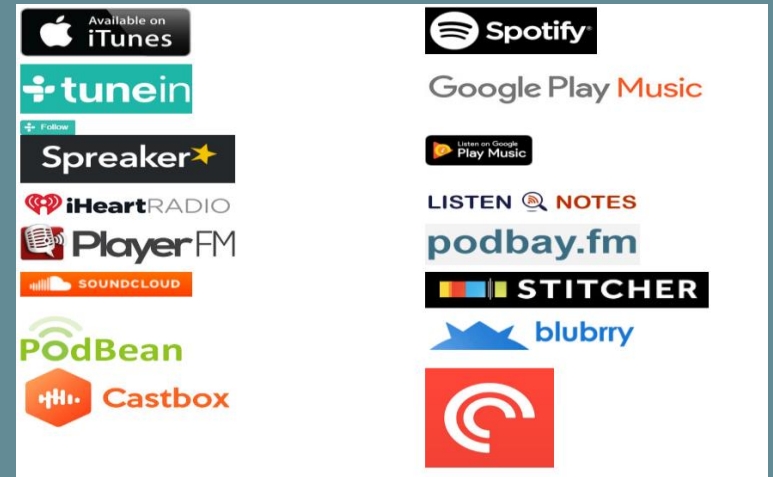

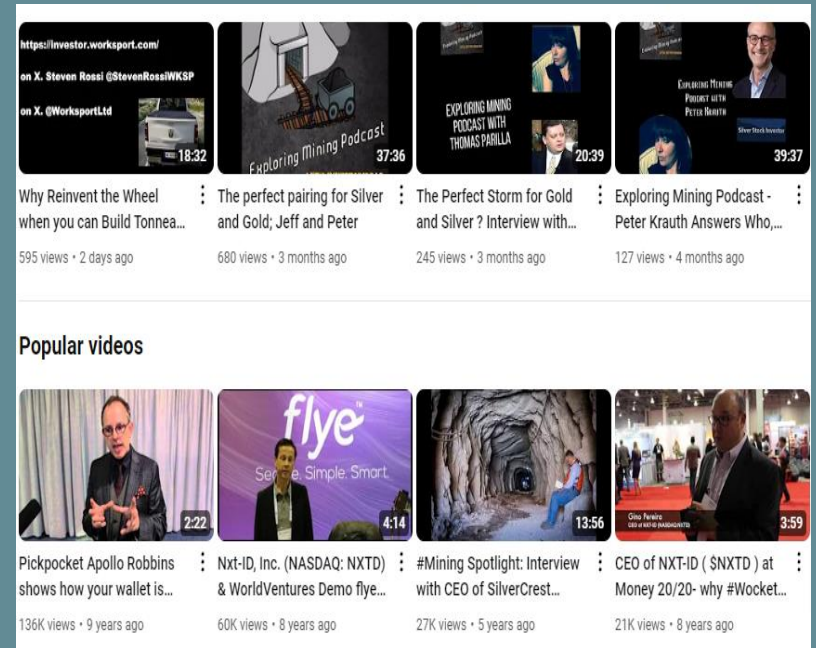

Recognition: Our podcast was included in 17 Top Mining & Technology, Mineral Exploration and Geology Podcasts to subscribe to in 2020
